LEARNING OUTDOORS

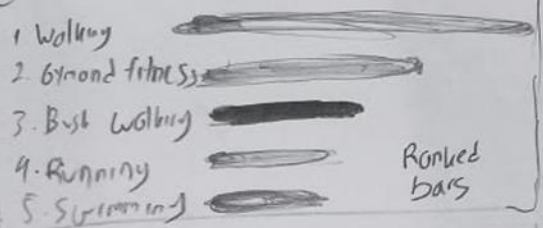

Henson Zein
FIT3179 - DV2

Australians go into nature as adults. What happens before that?

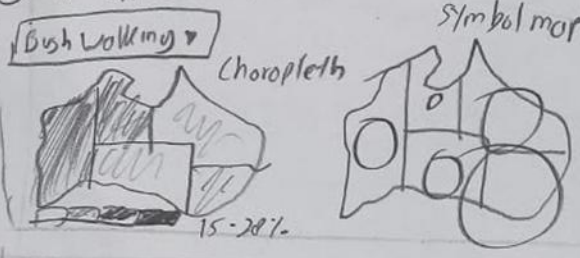

Out of every 100 people...
17 adults bush walk, 1 child in a group
21 students go on field trip
Isotype: 1 or 10 people, filled = does it

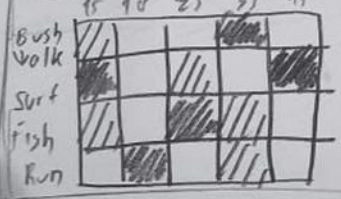

① Bush walking in Australia

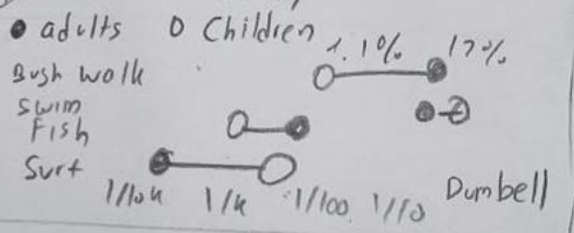

② It happens everywhere

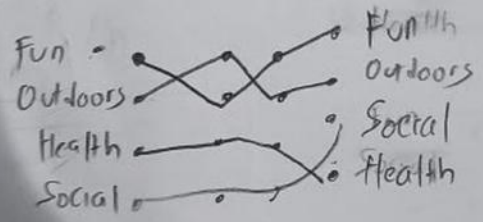

③ An adult habit that last

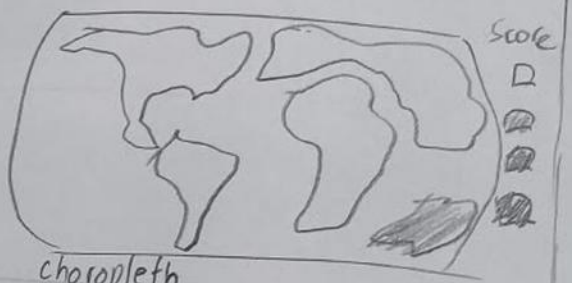

④ Children's activity

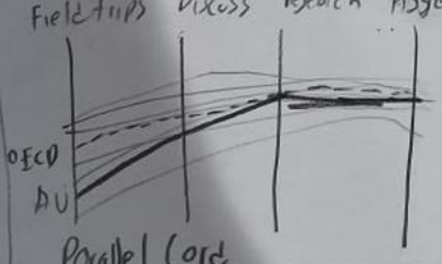

⑤ Why people say they go

⑥ What students know

⑦ What schools do

⑧ Knowledge is drifting
